REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Sponsor, Trustee and Shareholders
SPDR® Gold Trust:

Opinion on the Financial Statements

We have audited the accompanying statements of financial condition of SPDR® Gold Trust (the Trust), including the schedules of investment, as of September 30, 2018 and 2017, the related statements of operations, cash flows, and changes in net assets for each of the years in the three-year period ended September 30, 2018, and the related notes (collectively, the financial statements). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Trust as of September 30, 2018 and 2017, and the results of its operations and its cash flows for each of the years in the three-year period ended September 30, 2018, in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Trust's internal control over financial reporting as of September 30, 2018, based on criteria established in *Internal Control—Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission, and our report dated November 27, 2018 expressed an unqualified opinion on the effectiveness of the Trust's internal control over financial reporting.

Basis for Opinion

These financial statements are the responsibility of management of the Trust's sponsor. Our responsibility is to express an opinion on these financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Trust in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management of the Trust's sponsor, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

/s/ KPMG LLP

We have served as the Trust's auditor since 2010.

SPDR® GOLD TRUST

Notes to the Financial Statements

1. Organization

The SPDR® Gold Trust (the “Trust”) is an investment trust formed on November 12, 2004 (“Date of Inception”) under New York law pursuant to a trust indenture (the “Trust Indenture”). The fiscal year end for the Trust is September 30th. The Trust holds gold and is expected from time to time to issue shares (“Shares”) (in minimum denominations of 100,000 Shares, also referred to as “Baskets”) in exchange for deposits of gold and to distribute gold in connection with redemption of Baskets. The investment objective of the Trust is for the Shares to reflect the performance of the price of gold bullion, less the Trust’s expenses. World Gold Trust Services, LLC, or WGTS is the sponsor of the Trust, or Sponsor. BNY Mellon Asset Servicing, a division of The Bank of New York Mellon, or BNYM, is the trustee of the Trust, or the Trustee. State Street Global Advisors Funds Distributors, LLC, or SSGA, is the marketing agent of the Trust, or the Marketing Agent. HSBC Bank plc, or HSBC, is the custodian of the Trust, or the Custodian.

The Shares trade on the NYSE Arca, Inc. (“NYSE Arca”) under the symbol “GLD”, providing investors with an efficient means to obtain market exposure to the price of gold bullion. The Shares are also listed on the Hong Kong Exchanges and Clearing Limited, the Mexican Stock Exchange (Bolsa Mexicana de Valores), the Singapore Exchange Limited, and the Tokyo Stock Exchange.

The Trustee does not actively manage the gold held by the Trust. This means that the Trustee does not sell gold at times when its price is high, or acquire gold at low prices in the expectation of future price increases. It also means that the Trustee does not make use of any of the hedging techniques available to professional gold investors to attempt to reduce the risk of losses resulting from price decreases. Any losses sustained by the Trust will adversely affect the value of the Shares.

2. Significant Accounting Policies

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”) requires those responsible for preparing financial statements to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates. The following is a summary of significant accounting policies followed by the Trust.

2.1. Basis of Accounting

The Trust is an investment company and, therefore, applies the specialized accounting and reporting guidance in Financial Accounting Standards Board (“FASB”) Accounting Standards Codification Topic 946, Financial Services—Investment Companies.

SPDR® GOLD TRUST

Notes to the Financial Statements

2.2. Fair Value Measurement

FASB Accounting Standards Codification Topic 820, Fair Value Measurements and Disclosures, provides a single definition of fair value, a hierarchy for measuring fair value and expanded disclosures about fair value adjustments.

The Trust does not hold any derivative instruments, and its assets only consist of allocated gold bullion and, from time to time, (i) gold receivable, representing gold covered by contractually binding orders for the creation of Shares where the gold has not yet been transferred to the Trust's account and (ii) cash, which is used to pay expenses.

U.S. GAAP defines fair value as the price the Trust would receive to sell an asset or pay to transfer a liability in an orderly transaction between market participants at the measurement date. The Trust's policy is to value its investments at fair value.

Various inputs are used in determining the fair value of assets and liabilities. Inputs may be based on independent market data ("observable inputs") or they may be internally developed ("unobservable inputs"). These inputs are categorized into a disclosure hierarchy consisting of three broad levels for financial reporting purposes. The level of a value determined for an asset or liability within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement in its entirety. The three levels of the fair value hierarchy are as follows:

Level 1 – Unadjusted quoted prices in active markets for identical assets or liabilities;

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability either directly or indirectly, including quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not considered to be active, inputs other than quoted prices that are observable for the asset or liability and inputs that are derived principally from or corroborated by observable market data by correlation or other means; and

Level 3 – Inputs that are unobservable for the asset or liability, including the Trust's assumptions used in determining the fair value of investments.

The following table summarizes the Trust's investments at fair value:

(Amounts in 000's of US\$)

<u>September 30, 2018</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

Investment in Gold	\$35,669,225	\$—	\$—
Total	<u>\$35,669,225</u>	<u>\$—</u>	<u>\$—</u>

There were no transfers between Level 1 and other Levels for the years ended September 30, 2018 and 2017.

SPDR® GOLD TRUST

Notes to the Financial Statements

2.2. Fair Value Measurement — (continued)

The Trustee values the gold held by the Trust on the basis of the price of an ounce of gold as determined by the ICE Benchmark Administration Limited (“IBA”), a benchmark administrator, which provides an independently administered auction process as well as the overall administration and governance for the London Bullion Market Association (“LBMA”). In determining the net asset value (“NAV”) of the Trust, the Trustee values the gold held by the Trust on the basis of the price of an ounce of gold determined by the IBA 3:00 PM auction process (“LBMA Gold Price PM”), which is an electronic auction, with the imbalance calculated, and the price adjusted in rounds (30 seconds in duration). The auction runs twice daily at 10:30 AM and 3:00 PM London time. The Trustee determines the NAV of the Trust on each day the NYSE Arca is open for regular trading, at the earlier of the LBMA Gold Price PM for the day or 12:00 PM New York time. If no LBMA Gold Price is made on a particular evaluation day or if the LBMA Gold Price has not been announced by 12:00 PM New York time on a particular evaluation day, the next most recent LBMA Gold Price (AM or PM) is used in the determination of the NAV of the Trust, unless the Trustee, in consultation with the Sponsor, determines that such a price is inappropriate to use as the basis for such determination.

2.3. Custody of Gold

Gold is held by HSBC Bank plc, on behalf of the Trust. During the years ended September 30, 2018 and 2017, no gold was held by a subcustodian.

2.4. Gold Receivable

Gold receivable represents the quantity of gold covered by contractually binding orders for the creation of Shares where the gold has not yet been transferred to the Trust’s account. Generally, ownership of the gold is transferred within two business days of the trade date.

(Amounts in 000’s of US\$)	<u>Sep-30,</u> <u>2018</u>	<u>Sep-30,</u> <u>2017</u>
Gold receivable	\$—	\$—

2.5. Gold Payable

Gold payable represents the quantity of gold covered by contractually binding orders for the redemption of Shares where the gold has not yet been transferred out of the Trust’s account. Generally, ownership of the gold is transferred within two business days of the trade date.

(Amounts in 000’s of US\$)	<u>Sep-30,</u> <u>2018</u>	<u>Sep-30,</u> <u>2017</u>
Gold payable	\$—	\$—

SPDR® GOLD TRUST

Notes to the Financial Statements

2.6. Creations and Redemptions of Shares

The Trust creates and redeems Shares from time to time, but only in one or more Baskets (a Basket equals a block of 100,000 Shares). The Trust issues Shares in Baskets to certain authorized participants (“Authorized Participants”) on an ongoing basis. The creation and redemption of Baskets is only made in exchange for the delivery to the Trust or the distribution by the Trust of the amount of gold and any cash represented by the Baskets being created or redeemed, the amount of which will be based on the combined net asset value of the number of Shares included in the Baskets being created or redeemed determined on the day the order to create or redeem Baskets is properly received.

As the Shares of the Trust are redeemable in Baskets at the option of the Authorized Participants, the Trust has classified the Shares as Net Assets for financial reporting purposes. Activity in the number of Shares created and redeemed for the years ended September 30, 2018, 2017, and 2016 are as follows:

(All amounts are in 000's)	<u>Year Ended Sep-30, 2018</u>	<u>Year Ended Sep-30, 2017</u>	<u>Year Ended Sep-30, 2016</u>

Net Change in Value of Shares Created and Redeemed	<u>\$ (4,715,451)</u>	<u>\$ (2,741,970)</u>	<u>\$ 10,729,854</u>

2.7. Income and Expense

The Trustee will, at the direction of the Sponsor or in its own discretion, sell the Trust’s gold as necessary to pay the Trust’s expenses. When selling gold to pay expenses, the Trustee will endeavor to sell the smallest amount of gold needed to pay expenses in order to minimize the Trust’s holdings of assets other than gold. Unless otherwise directed by the Sponsor, the Trustee will sell gold to the Custodian at the next LBMA Gold Price PM following the sale order. A gain or loss is recognized based on the difference between the selling price and the average cost of the gold sold, and such amounts are reported as net realized gain/(loss) from investment in gold sold to pay expenses on the Statement of Operations.

All numbers throughout the Notes to the Financial Statements are in thousands unless otherwise noted.

The Trust’s net realized and change in unrealized gain/(loss) on investment in gold for the year ended September 30, 2018 of (\$2,483,235) is made up of a realized gain of \$2,987 from the sale of gold to pay expenses, a realized gain of \$147,334 from gold distributed for the redemption of Shares, and a change in unrealized depreciation of (\$2,633,556) on investment in gold.

The Trust’s net realized and change in unrealized gain/(loss) on investment in gold for the year ended September 30, 2017 of (\$1,757,888) is made up of a realized gain of \$252 from the sale of gold to pay expenses, a realized loss of (\$222,162) from gold distributed for the redemption of Shares, and a change in unrealized depreciation of (\$1,535,978) on investment in gold.

SPDR® GOLD TRUST

Notes to the Financial Statements

2.7. Income and Expense — (continued)

The Trust's net realized and change in unrealized gain/(loss) on investment in gold for the year ended September 30, 2016 of \$5,078,499 is made up of a realized gain of \$614 from the sale of gold to pay expenses, a realized loss of (\$6,601) from gold distributed for the redemption of Shares, and a change in unrealized appreciation of \$5,084,486 on investment in gold.

2.8. Income Taxes

The Trust identifies its major tax jurisdiction as the United States. The Trust is classified as a "grantor trust" for U.S. federal income tax purposes. As a result, the Trust itself will not be subject to U.S. federal income tax. Instead, the Trust's income and expenses will "flow through" to the Shareholders, and the Trustee will report the Trust's proceeds, income, deductions, gains, and losses to the Internal Revenue Service on that basis. The Sponsor of the Trust has evaluated whether or not there are uncertain tax positions that require financial statement recognition and has determined that no reserves for uncertain tax positions are required as of September 30, 2018 or 2017.

The Sponsor evaluates tax positions taken or expected to be taken in the course of preparing the Trust's tax returns to determine whether the tax positions are "more-likely-than-not" to be sustained by the applicable tax authority. Tax positions not deemed to meet that threshold would be recorded as an expense in the current year. The Trust is required to analyze all open tax years. Open tax years are those years that are open for examination by the relevant income taxing authority. As of September 30, 2018, 2017, 2016 and 2015 tax years remain open for examination. There are no examinations in progress at period end.

2.9. New Accounting Pronouncements

In August 2018, the FASB issued Accounting Standards Update 2018-13, Fair Value Measurement (Topic 820): Disclosure Framework—Changes to the Disclosure Requirements for Fair Value Measurement ("ASU 2018-13"). The update provides guidance that eliminates, adds and modifies certain disclosure requirements for fair value measurements. ASU 2018-13 will be effective for annual periods beginning after December 15, 2019. Early adoption is permitted. Management does not currently expect these changes to have a material impact to future financial statements.

4. Related Parties - Sponsor and Trustee

The Trust's only recurring fixed expense is the Sponsor's fee which accrues daily at an annual rate equal to 0.40% of the daily NAV, in exchange for the Sponsor assuming the responsibility to pay all ordinary fees and expenses of the Trust.

Affiliates of the Trustee may from time to time act as Authorized Participants or purchase or sell gold or Shares for their own account, as agent for their customers and for accounts over which they exercise investment discretion.

Notes to the Financial Statements

5. Concentration of Risk

The Trust's sole business activity is the investment of gold. Several factors could affect the price of gold including: (i) global supply and demand, which is influenced by such factors as gold's uses in jewelry, technology and industrial applications, purchases made by investors in the form of bars, coins and other gold products, forward selling by gold producers, purchases made by gold producers to unwind gold hedge positions, central bank purchases and sales, and production and cost levels in major gold-producing countries such as China, Australia, and the United States; (ii) investors' expectations with respect to the rate of inflation; (iii) currency exchange rates; (iv) interest rates; (v) investment and trading activities of hedge funds and commodity funds; (vi) other economic variables such as income growth, economic output, and monetary policies; and (vii) global or regional political, economic or financial events and situations, especially those that are unexpected in nature. In addition, while gold is used to preserve wealth by investors around the world, there is no assurance that gold will maintain its long-term value in terms of purchasing power in the future. In the event that the price of gold declines, the Sponsor expects the value of an investment in the Shares to decline proportionately. Each of these events could have a material effect on the Trust's financial position and results of operations.

6. Indemnification

The Sponsor, and its shareholders, members, directors, officers, employees, affiliates and subsidiaries, are indemnified by the Trust and held harmless against certain losses, liabilities or expenses incurred in the performance of their duties under the Trust Indenture without gross negligence, bad faith, willful misconduct, willful malfeasance or reckless disregard of the indemnified party's obligations and duties under the Trust Indenture. Such indemnity includes payment by the Trust of the costs and expenses incurred in defending against any claim or liability under the Trust Indenture. Under the Trust Indenture, the Sponsor may be able to seek indemnification by the Trust for payments it makes in connection with the Sponsor's activities under the Trust Indenture to the extent its conduct does not disqualify it from receiving such indemnification under the terms of the Trust Indenture. The Sponsor is also indemnified by the Trust and held harmless against any loss, liability or expense arising under the Marketing Agent Agreement or any agreement entered into with an Authorized Participant which provides the procedures for the creation and redemption of Baskets and for the delivery of gold and any cash required for creations and redemptions insofar as such loss, liability or expense arises from any untrue statement or alleged untrue statement of a material fact contained in any written statement provided to the Sponsor by the Trustee. Any amounts payable to the Sponsor are secured by a lien on the Trust's assets.

The Sponsor has agreed to indemnify certain parties against certain liabilities and to contribute to payments that such parties may be required to make in respect of those liabilities. The Trustee has agreed to reimburse such parties, solely from and to the extent of the Trust's assets, for indemnification and contribution amounts due from the Sponsor in respect of such liabilities to the extent the Sponsor has not paid such amounts when due. The Sponsor has agreed that, to the extent the Trustee pays any amount in respect of the reimbursement obligations described in the preceding sentence, the Trustee, for the benefit of the Trust, will be subrogated to and will succeed to the rights of the party so reimbursed against the Sponsor.
