The diagram illustrates a network structure with nodes and connections. The nodes are labeled with numerical values and some are marked with 'EV'. The connections are represented by lines of varying thickness, suggesting different weights or types of relationships. The layout is organized into several layers, with nodes at the top and bottom connected by a central network. The labels include: 16, 2025, EV, 1, 24,951, 112, 2.0, 73.7, 505, 38.3, 224, 468, 7,603, 8.6, 93, 248, 16,406, 7.1, 1,652, 2.1, 261, 894, 14.8, 247, EV, 46, 23.0, 42.8.
